

TGP INCIDENT INVESTIGATION REPORT

Incident # _____

Date of Report: _____ (DD-MM-YY) Time of Report: _____ O AM O PM

Retail Name: _____

Name of person involved: _____

Type: ☐ Full Time Employee ☐ Part Time Employee ☐ Contractor ☐ Customer

Date of incident: _____ (DD-MM-YY) Time of incident: _____ O AM O PM

Witnesses

Witness Name (1):	Witness Name (2):	Witness Name (3):

Type of Incident

☐ First Aid	☐ Motor Vehicle Incident	☐ Near Miss
☐ Medical Aid – No Lost Time	☐ Contractor Recordable	☐ 3 rd Party Incident (e.g. Public)
☐ Restricted Work	☐ Property Damage	☐ Spill or Release
☐ Lost Time	☐ Fire/Explosion/Flood	☐ Work Refusal
☐ Fatality	☐ Violence or Harassment	☐ Other:

Description of Incident – Chronological order of events

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____

Attach additional pages if required.

➤ Please attach a sketch of the incident scene

Process

Is there a Hazard Assessment for the task being performed?	☐ Yes	☐ No	☐ NA
If yes, were the controls listed implemented?	☐ Yes	☐ No	☐ NA
Is there a Job Hazard Analysis for the task being performed?	☐ Yes	☐ No	☐ NA
Was the Job Hazard Analysis being followed?	☐ Yes	☐ No	☐ NA
What equipment/materials were involved?			

Type of Event

- | | | |
|---|--|---|
| ☐ 1. Struck against | ☐ 6. Caught on | ☐ 11. Overstress, over exertion, ergonomic |
| ☐ 2. Struck by | ☐ 7. Caught between | ☐ 12. Equipment failure |
| ☐ 3. Fall from elevation | ☐ 8. Contact with | ☐ 13. Environmental release |
| ☐ 4. Fall on same level | ☐ 9. Abnormal operation | |
| ☐ 5. Caught in | ☐ 10. Product contamination | |

Immediate/Direct Causes

Substandard Acts

- ☐ 1. Operating equipment without authority
- ☐ 2. Failure to warn
- ☐ 3. Failure to secure/make safe
- ☐ 4. Operating at improper speed
- ☐ 5. Making safety devices inoperative
- ☐ 6. Using defective equipment
- ☐ 7. Failing to use PPE properly
- ☐ 8. Improper loading
- ☐ 9. Improper placement
- ☐ 10. Improper lifting
- ☐ 11. Improper position for task
- ☐ 12. Servicing equipment in operation
- ☐ 13. Horseplay
- ☐ 14. Under influence of alcohol and/or drugs
- ☐ 15. Using equipment improperly
- ☐ 16. Failure to follow procedure/policy/practice
- ☐ 17. Failure to identify hazard/risk
- ☐ 18. Failure to check/monitor
- ☐ 19. Failure to react/correct
- ☐ 20. Failure to communicate/coordinate
- ☐ Other _____

Substandard Conditions

- ☐ 21. Inadequate guards/barriers
- ☐ 22. Inadequate or improper PPE
- ☐ 23. Defective tools, equipment or materials
- ☐ 24. Congestion or restricted action
- ☐ 25. Inadequate warning system
- ☐ 26. Fire and explosion hazards
- ☐ 27. Poor housekeeping/disorder/clutter
- ☐ 28. Noise exposure
- ☐ 29. Radiation exposure
- ☐ 30. Temperature extremes
- ☐ 31. Inadequate or excessive illumination
- ☐ 32. Inadequate ventilation
- ☐ 33. Presence of harmful materials
- ☐ 34. Inadequate instructions/procedures
- ☐ 35. Inadequate information/data
- ☐ 36. Inadequate preparation/planning
- ☐ 37. Inadequate support/assistance
- ☐ 38. Inadequate communications
- ☐ 39. Road conditions
- ☐ 40. Weather conditions
- ☐ Other _____

➤ How did the Immediate/Direct Causes contribute to this incident?

I/D C #	Contribution/Explanation

Basic/Root Causes

Personal Factors

- ☐ 1. Inadequate Physical/Physiological Capability
- ☐ 2. Inadequate Mental/Psychological Capability
- ☐ 3. Physical or Psychological Stress
- ☐ 4. Mental or Psychological Stress
- ☐ 5. Lack of Knowledge
- ☐ 6. Lack of Skill
- ☐ 7. Improper Motivation
- ☐ 8. Abuse or Misuse
- ☐ Other _____

Job/System Factors

- ☐ 9. Inadequate leadership and/or Supervision
- ☐ 10. Inadequate Engineering
- ☐ 11. Inadequate Purchasing
- ☐ 12. Inadequate Maintenance
- ☐ 13. Inadequate Tools and Equipment
- ☐ 14. Inadequate Work Standards
- ☐ 15. Excessive Wear and Tear
- ☐ 16. Inadequate Communications
- ☐ 17. Other _____

➤ How does the Immediate/Direct Cause contribute to the Basic/Root Cause?

I/D #	B/R #	Contribution/Explanation

Areas for Corrective Action

- ☐ 1. Leadership and administration
☐ 2. Leadership training
☐ 3. Planned inspection and maintenance
☐ 4. Critical task analysis and procedures
☐ 5. Incident investigation
☐ 6. Task observation
☐ 7. Emergency preparedness
☐ 8. Rules and work permits
☐ 9. Incident analysis
☐ 10. Knowledge and skill training
☐ 11. Personal protective equipment
☐ 12. Health and hygiene control
- ☐ 13. System evaluation
☐ 14. Engineering and change management
☐ 15. Personal communications
☐ 16. Group communications
☐ 17. General promotion
☐ 18. Hiring and placement
☐ 19. Materials and services management
☐ 20. Off-the-job safety
☐ 21. Environmental management
☐ 22. Quality management
☐ Other _____

➤ How do the Immediate/Direct Cause and Basic/Root Cause contribute towards the area for corrective action?

I/D #	B/R #	CA #	Contribution/Explanation

Action Log Update

Identify steps that have been or will be taken to prevent a similar occurrence. Include recommendations that may be long term corrective actions as applicable and add to the Action Log

Action	Person Responsible	Due Date

Supporting Documents
